Curating the Greats, Creating the Best

From Global Sourcing to Everyday Shelves

We identify and partner with leading international pet brands, curate products suited for the Indian market, and distribute them across a growing network. Alongside, we develop in-house brands designed for quality, consistency, and everyday value.

GLOBAL BRANDS WE BRING TO INDIA

A carefully selected portfolio of internationally trusted brands known for quality, innovation, and performance.

BRANDS WE'VE BUILT

Our in-house brands are designed to meet everyday needs with consistency, accessibility, and trust.

Directions For Use

Free run:
Always hold the flexi by the hand grip. As long as you do not activate the brake button, the rope or belt will easily extend and retract.

To stop the leash:
Press the brake button with your thumb. Let go of the brake button when the dog comes back to you, so that the leash is always taut.

To lock the brake:
Press the brake button, and then slide the brake lock forward with your thumb.

To release the brake lock: Press the brake button, and pull the lock backward with your thumb.

OUT Bone Dispenser and Waste Pick-Up Bags

New: TRIxie Tofu cat litter - Sustainable & powerful

TRIXIE is adding a plant-based alternative to its range of cat consumables: Tofu clumping litter. This 100% biodegradable litter is made from byproducts of tofu production and impresses with its high absorbency, fast clumping and low dust formation - ideal for allergy sufferers. It reliably binds odours without any artificial fragrances. A sustainable and practical solution for cat owners looking for environmentally friendly alternatives.

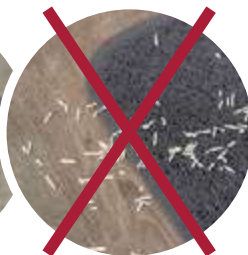

Trixie Tofu Clumping Cat Litter

- 100 % Plant-based, made from a by-product of tofu production
- Absorbs unpleasant smells
- Biodegradable
- Free of artificial fragrances
- Cleaned litter is compostable (without faeces/urine)
- Light-weight
- Fast clumping and extremely absorbent
- Low-dust/suitable for allergy sufferers

Where Products Come Alive

We do not just sell what we import. We experience it.

At ABK, our relationship with every product begins long before it reaches a shelf. Our Experience Centre grounds our team within the world of our products. It is a place designed to remind us that behind every sale is something that will weave its way into a person's life.

A Chain of Conviction

Where Every Link Matters

Every piece in this catalogue passed through many hands before it reached yours. Each person on our team championed it with belief and intention. Each product that arrives at your doorstep is rigorously tested with the expert stamp of approval. Our conviction in every product travels all the way to you.

The Journey is Yours to Complete

The Last Mile of Care

Our retailers and distributors are the final, essential act of care in a long journey. You are the ones who bring it home. Every shelf where an ABK product is displayed is an extension of the belief we first built in our own Experience Centre: that a product touches a life, and deserves to be truly understood before it is ever sold.

COME VISIT US |

Come and experience firsthand the people, the passion, and the products behind every page of this catalogue.

The Tools Are Just the Beginning

Driven by Love. Defined by Quality.

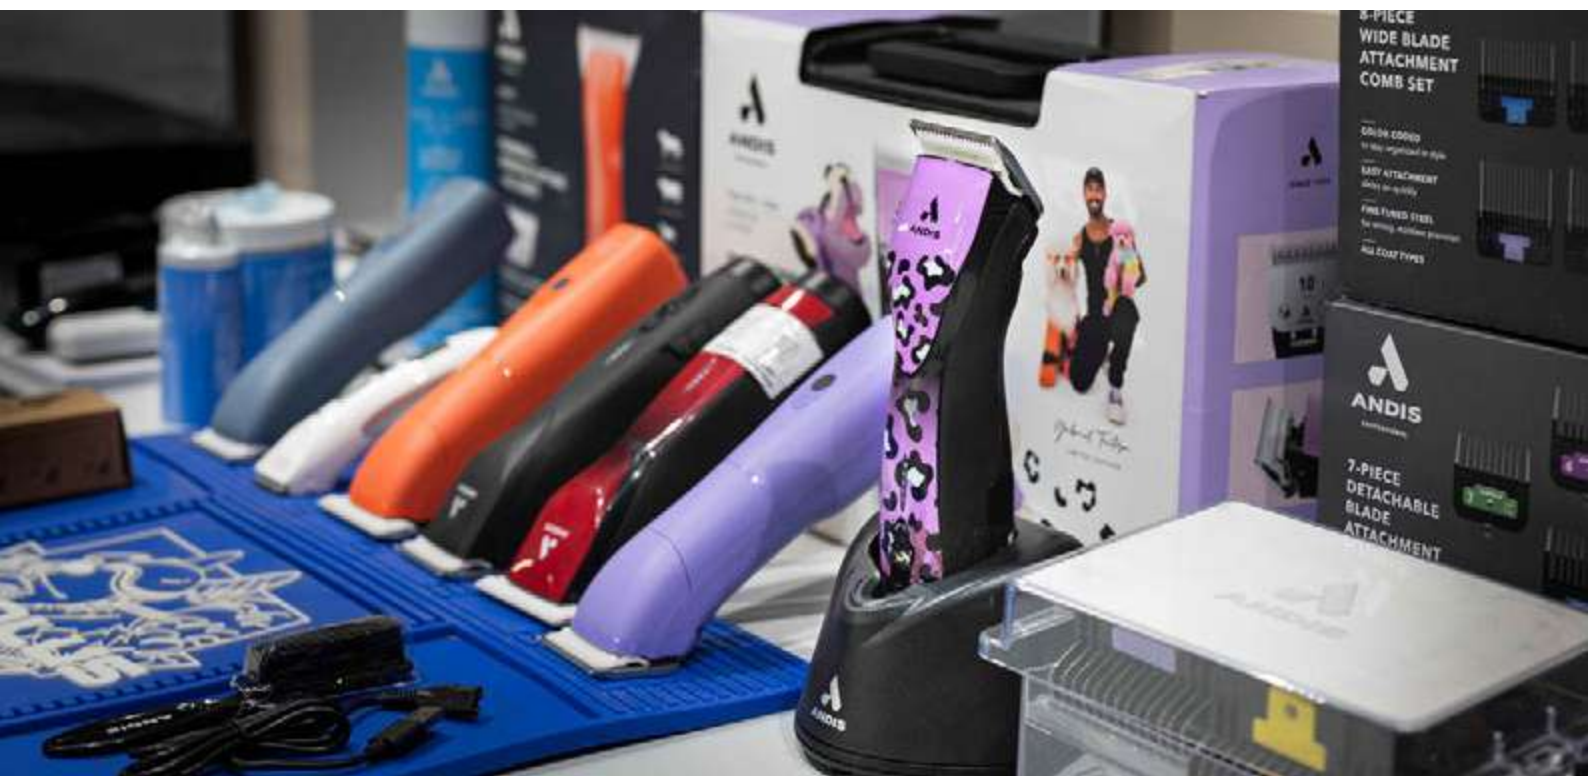

At the heart of India's booming pet industry is something simple: people love their pets more deeply than ever before. From products on retail shelves to the professionals in grooming salons and vet clinics, we craft and curate to foster love for pets.

Where Every Product Counts

We choose our brands with precision and purpose. We choose our products to curate an experience. The India Grooming Show was created with the same tenets at its core.

Where craft meets community

The **India Grooming Show** is ABK's commitment to the professionals who give meaning to everything we import. A stage for groomers to grow, connect, and be celebrated — because a better industry begins with better people.
